

AssuredBill

EBPP Services

Modernize Your Operations with Seamless, Secure, and Intelligent Payment Solutions

Operational Efficiency

Save time and reduce costs with paperless eBilling, easing staff workload as customers manage payments and accounts independently.

Improved Cash Flow Management

Real-time payment tracking and automated reconciliation ensure better visibility and control over your revenue streams.

Customer-Centric Solutions

Equip your customers with flexible, secure, and convenient options to view and settle bills using the channels they prefer.

Multi-Channel Presentment

Deliver invoices and enable payments through guest-pay, SMS/Text, email, and web portals to meet diverse customer preferences.

Comprehensive Integration

Effortlessly integrate with your existing systems, ensuring smooth and reliable data updates, account syncing, and customized workflows.

Advanced Security & Compliance

Protect sensitive customer data with end-to-end encryption and industry-standard compliance protocols, including PCI-DSS.

An Electronic Bill Presentment and Payment (EBPP) system augments your existing billing software to deliver invoices in a paperless eBill format, and allow customers to pay online or set up autopay.

Customers appreciate the more convenient online payment options, and are more likely to pay on time. Staff load is reduced as tedious paper billing duties are reduced, and customers are able to perform self-help on the customer portal. AssuredBill EBPP solution is tailored to meet the unique needs of organizations transitioning to digital-first operations.

Success Story

Golden Triangle Planning and Development District (GTPDD), based in Starkville, MS, modernized their operations by having AssuredBill integrate with their utility billing software.

The results within 4 months?

- Our staff interface reduced in-person payment processing time by 75%.
- Credit card adoption reduced in-person visits by 24%.
- GTPDD attracted new utility clients who required online payment options.

Staff Dashboard

Centralized Control for Your Team

- **Consolidated Staff Interface**

A fast and efficient interface enables staff to process cash, check, money order, credit card, and bank draft payments all in one place.

- **Advanced Real-Time Reporting**

Financial data is customized and presented to meet the specific needs of different departments.

- **No Software To Maintain**

Secure, cloud-based software that stays up-to-date and is accessible from any internet-connected device.

The screenshot displays the Staff Dashboard interface. On the left, there's a search bar with 'jason perry' entered, showing search results for 'PERRY, JASON' with account details. The main area shows the 'Customer Details' for 'PERRY, JASON (Unregistered)', including a table with columns for Provider, Account, Balance, Pay Amount, and Due Date. The table lists 'OKTIBBEHA COUNTY SOLID WASTE' with a balance of \$0.00 and a due date of 08/15/24. Below the table, there's a 'Total Selected Balance: \$0.00' and a 'Total Pay Amount: \$0.00'. A green button 'Click Here To Use Terminal Device' is present, followed by a section to 'Enter a new Payment Method:' with options for 'Credit Card', 'Check', and 'Cash'. A note states 'Pay Amount must be greater than 0.00.' and a 'Process Payment' button is at the bottom.

Customer Portal

Easy Guest-Pay or Login for Account Care

The screenshot shows the Customer Portal interface on a mobile device. At the top, it says 'GTPDD Payment Portal' and 'Switch to eBill today!'. Below this, there's a section for 'CLAY COUNTY SOLID WASTE' with account details: Account #709286, Name: MOORE, EMMANUEL, Service Address: SHIELDS HOUSE, Balance: \$ 0.00, Due: 01/15/24. There are buttons for 'ENROLL EBILL NOW', 'PAY NOW', and 'AUTOPAY IS ON'.

- **Quick Guest-Pay**

Offer customers the ability to make payments instantly from any device, no login required.

- **24/7 Access**

Enable customers to pay bills anytime, reducing late accounts and improving satisfaction.

- **Customer Portal**

Provide a self-service platform where customers can set up autopay, manage preferences, and access statements.

- **Merge Accounts**

Simplify account management by allowing customers to combine multiple accounts into one login.

Paperless Bill Presentment

Professional Invoices Delivered Efficiently

The screenshot shows a paperless bill from OKTOC WATER ASSOCIATION. It includes customer information: Customer Name: SEAN OR EMILY OWEN, Account Number: 000715, Statement Date: 11/20/24, Service Address: 561 SUGARBERRY LANE. The bill details include Read Date: 11/11/2024, Due Date: 12/5/24, Previous Reading: 142580, Amount Due: 36.30, New Reading: 152300, Penalty After Due Date: 3.53, Usage: 9720, Pay After Due Date: 39.83. A table shows the breakdown of charges: Water (35.30), SERVICE CALL (1.00), and Balance (36.30). A bar chart titled 'Monthly Usage' shows usage from Jan to Dec. At the bottom, it says '99' and 'Make a quick payment online at bill.gtpdd.com! When mailing a check, include your Account Number'.

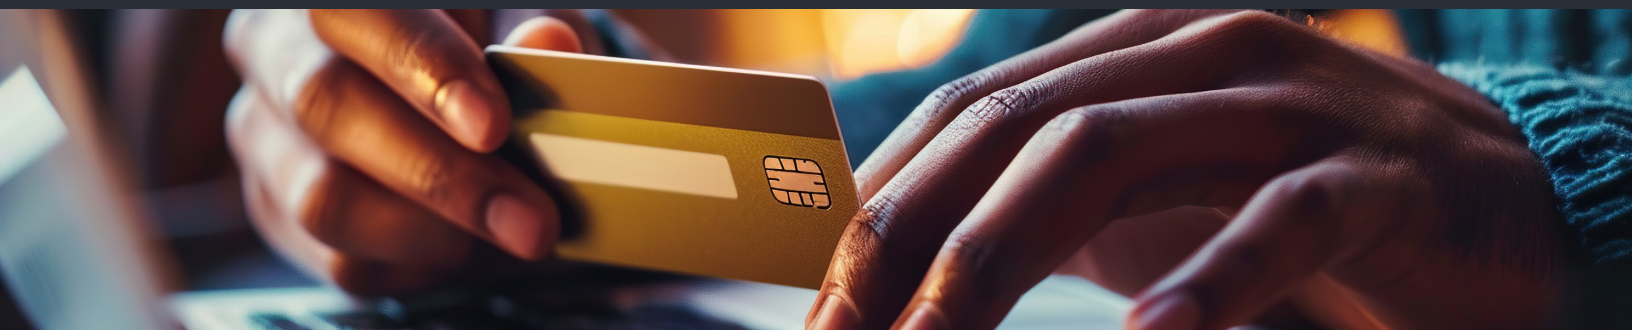

- **Multi-Channel Delivery:** Customers can view bills via email, SMS/text, or the customer portal.

- **Customization Options:** Add branding, logos, or tailored messages to enhance customer engagement.

Empowering Your Business Through EBPP

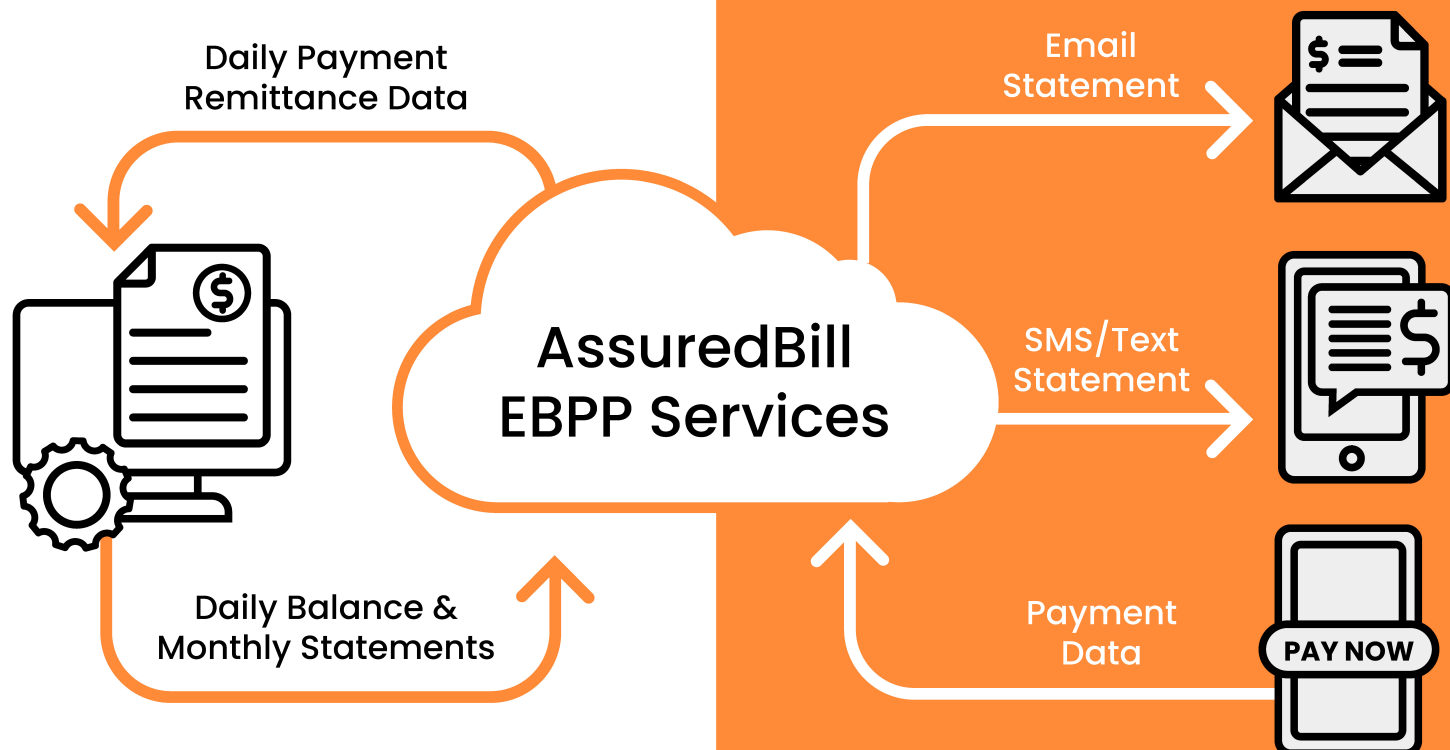

Modernize your business operations with the AssuredBill Electronic Bill Presentment and Payment (EBPP) system. Our solution integrates seamlessly with your existing processes, and requires no installed software or IT infrastructure. AssuredBill reduces billing costs while increasing customer satisfaction by giving customer choices in how they interact with your company. With Assured Revenue, you're not just adopting a system—you're partnering for success in the digital age.
